Term 1 Week 3

Matthew 24:13

"But the one who endures to the end will be saved"

This week during AOW we have been looking at one of our Christian

Values – Resilience.

The children have been talking about how they can be resilient learners. How can you show resilience at home?

Hello to all on another sunny day.

Badgers class have been beginning their writing on what could be through the red door.

The children have got some fantastic imaginations and have used excellent descriptive language to describe where they are and what they can see.

Squirrels have been looking at different patterns in numbers. Looking at counting in different steps forward and backwards. Can you trick them out?

Hedgehogs have been continuing to develop their phonics knowledge and using this to start to make marks, words and sentences.

Rocket Readers has blasted off! Remember to keep reading over the weekend. Please bring in your rocket reader sheets on Monday and hand to me on the gate or your class teacher.

Please continue to check Leeds and Broomfield website. All classes homework mindmap have been uploaded to the website including an EYFS mindmap for the Year R pupils. Please have a look and choose an activity every week to complete with your child along with reading daily and some basic maths skills (see class mindmap). Please either send work to the class email address or take a photo of it and send it through.

Please find the home learning by going to Leeds and Broomfield website, Our learning tab and then home learning. Thank you.

Keep checking the 'our events' tab under News and Events as this is where you will find out all the latest news – this week there is a link to the school council and well-being warriors page looking at their chosen charities for this year. On **Wednesday 30th September** they have chosen to complete a **sponsored walk** to Leeds Castle over the fields to raise money for the three chosen charities: Water Aid, CLIC Sargent and JDRF Diabetes. This will be completed in their two bubbles. More information and sponsorship forms to follow.

If you do have any questions or concerns then please do chat to me on the gate or call / email the school and I will get back to you as soon as I can.

I hope you have a lovely weekend.

We're very excited to inform you that we are going to be having a couple of guinea pigs in school!

If your child suffers with any allergies that may affect them being in contact with the guinea pigs please let their class teacher know.

Competition Time!

The new arrivals are going to need names. Send your suggestions into school and Mrs Steer will choose the winning names!
