Term 1 Week 4

Be kind and compassionate to one another,
forgiving each other,
just as in Christ God forgave you.
Ephesians 4:32

Good afternoon,

Another busy week that has flown by.

Badgers class have been Wowing their teachers with their ordering of numbers and rounding to the nearest 10, 100, 1000.

Squirrels have been working on how to write an entry for a diary based on the whole school book 'The Journey'.

Hedgehogs have been enjoying creating their own challenges linked to the learning and have come up with some amazing ideas for next week learning.

Thank you to the families that have been sending in their homework to the class emails. We have had baking, creating, constructing, problem solving and writing. I look forward to this week.

As the weather is starting to change – please make sure your child has a coat and wellies so we can continue to use the field into the winter months.

Going in line with our theme of compassion for this week, I am asking for donation towards some Harvest hampers which we can share with vulnerable families and local charities and food banks. Please bring in any donations on Monday and Tuesday next week and give to your child's class teacher. Thank you.

I am also in the process of creating a virtual tour of the school that I can put on the website for prospectus new parents (due to current restriction on tours of the school). If anyone has any expertise in making films and videos please do talk to me on the gate or drop me an email.

Remember on Wednesday 30th September each bubble will be completing a sponsored walk to Leeds Castle over the fields to raise money for three chosen charities: Water Aid, CLIC Sargent and JDRF Diabetes. Please ensure you have completed the permission slip attached to this letter and sent back by Tuesday 29th September.

If you do have any questions or concerns, then please do chat to me on the gate or call / email the school and I will get back to you as soon as I can

I hope you have a lovely weekend

Mrs F Steer
