Term 1 Week 7

The Christian Values of Resilience has been our focus for Worship this week. We have been building the children's resilience. Linked to our school vision from the book of Matthew in the bible 'if it rains we will not fall down'.

Hello to all families,

I am going to start with a massive thank you for all the sponsorship- money that we have collected for the school council three chosen charities; Water Aid, Clic Sargent and JDRF Diabetes. We raised over £1,220 pounds. We will add in the extra bits we have had come in over the last three days and then split equally between the three charities. An amazing total! Thank you on behalf of all the children and families the money will go to support.

This week, Badgers class have amazed their class teachers of how quickly they have picked up negative numbers and are now solving problems using them.

Squirrels have been beginning to round number to the nearest 10 / 100 / 100 and work out the missing numbers in a sequence.

Hedgehogs have been looking at tens and ones and using numicon to support them with this.

Today we are launching rocket readers for the last week of term. Please read / share a book with a child everyday and hand in your rocket record on Friday 23rd October to be in with a chance of choosing a book from the fantastic collection that we have.

If you do have any questions or concerns then please do chat to me on the gate or call / email the school and I will get back to you as soon as I can

I hope you have a lovely weekend
