Term 2 Week 6

Wow – One more Week to go!

**Badgers** – Have been completing some maths problem solving tasks in class. One of the tasks was actually impossible! Mrs Coleman was amazed by the children's resilience to keep trying different methods – well done!

**Squirrels** – Have been looking at different ways to add numbers together including using the column method!

**Hedgehogs** – Have been looking at numbers that are greater than and less than using the symbols < and >. Can your child be a mini teacher and teach use?
