For a fun Christmas activity to do with the children, the Church have set up a nativity trail in Downswood, Langley, Leeds, Kingswood and Bearsted starting at each church in those areas.

The trails are local to your chosen area ( so you don't need to drive to each of those locations!) and consists of 5 short fun videos telling the nativity. When you find the poster at your chosen location ( for us at school it would be St Nicholas church opposite our school) . If you click on the QR code, it scans and shows you the video for the trail.
