

Monday 22nd March 2021

Dear parents,

I am writing to you regarding a potential offer of wrap around care for the ASPIRE schools. Wrap around care consists of child care before school from 7.30/8am - a breakfast club and then childcare after school until 4, 5 or 6pm. Both clubs would offer a light meal i.e. toast and cereal with fruit in the mornings, and then toast, crumpets or waffles with squash after school.

This provision is for childcare and is in addition to the normal after school clubs which are offered when covid regulations allow. Therefore this would be a chargeable provision. The cost of the childcare would be dependent on the number of hours your child would access ie they would attend breakfast club from 7.30am and then after school club until 6pm would have a different cost to breakfast club from 8am and after school club until 5pm.

The provision is unlikely to be offered at all four schools because of numbers and staffing, but could potentially be offered at one ASPIRE school with pupils from the other schools being picked up and transported to the club via minibus.

At the moment we are just testing the waters to see if wrap around care is even feasible in terms of numbers attending and staffing. If you are at all interested in a provision from September 2021 please do complete the google form accessible via this link: <https://forms.gle/e9tdXu1W4pfUxeeK9>. Please complete the form by Friday 23rd April 2021

Thank you. If you have any questions regarding this letter, please do contact me at [exehead@aspire-kent.org.uk](mailto:exehead@aspire-kent.org.uk), during working hours.

Kind regards,

Emma Hickling  
Executive headteacher
