Resilience, Curiosity, Honesty, Respect, Empathy

NEWSLETTER—Friday 19th March 2021

"Be like-minded, be sympathetic, love one another, be compassionate and humble."

Peter 3:8

This week through worship we have been looking at compassion. Today is red nose day and is all about showing compassion to others. Everybody looked great in red and thank you for all your kind donations. The money raised will go to comic relief and support many charities and families. *Who can you show compassion to over the weekend?*

**Hedgehogs** - Have been reading the jolly postman and looking at how post people help us across the world. They have also been doing an experiment with bread to see how many germs are on their hands. We will wait until next week to find out their conclusion.

**Squirrels** - Have been using the text 'Quest' alongside their discussion about the lost city of Atlantis. The children have been buzzing with ideas and getting their imaginations whirling with ideas to support their writing and creative elements over the next few weeks.

**Badgers** - Have been using a newspaper (which Mrs Cannell won) called the happy news to support them with their learning. It is a newspaper full of uplifting articles which the whole class have thoroughly enjoyed reading and using them to support their learning.

All children have come home with a rocket reader card. The challenge is if they can read or share a book daily from today until Monday 29th March. Adults please sign and date against a star each day. Please return your rocket readers on this day. Squirrels and Badgers can you add in a new word you have learnt from your text. Remember some of you are getting close to the Sun on the display in the hall - what will happen when you reach the sun?

## PE times

**Hedgehogs - Monday and Tuesday** - Come in school uniform everyday and bring your PE kits into school where they can remain for the term.

**Squirrels - Wednesday and Friday** - Come in school uniform everyday and bring your PE kits into school where they can remain for the term.

**Badgers -Tuesday and Thursday** - Please come in your PE kits on these day.

Mr Moore has been working hard to ensure all pupils have access to google classroom. All children should have come home with their log in details. Please use these to access the home learning - spelling / times table and reading.

Have a lovely weekend and look forward to seeing you next week.

If you do have any question or concerns then please do talk to me on the gate or email me on [fsteer@aspire-kent.org.uk](mailto:fsteer@aspire-kent.org.uk).
