Luke 24:6-7: "He is not here; he has risen!"

What a beautiful week it has been. The children have been thoroughly enjoying using the outdoor spaces to support their learning. Let's hope it stays for the weekend too?

Hedgehogs - Have been exploring their outside area. They have been developing their social skills, solving problems, and working together.

Squirrels - Have been continuing their work looking at the lost city of Atlantis. They have begun to plan their writing and I look forward to seeing the finished text next week.

Badgers - Have been looking at fractions this week. I know the children enjoyed the virtual teaching of fractions using chocolate! They have been using this knowledge to support them in their learning this week.

Reminder to keep reading! Rocket readers are due in on Monday 29th March. I look forward to talking to the children about the books they have read and the characters they have met in their books.

School Council and well being warriors have been busy putting up positivity posters around the school, raising awareness of recycling and picking up litter, promoting different languages hello and goodbye posters and thinking about our next sponsored event for T5/T6. They are currently thinking of completing the daily mile while carrying water to support wateraid and a cake sale. All money raised will be split between their three chosen charities; Wateraid, Clic Sergent and JDRF diabetes. Watch this space!

PE times

Hedgehogs - Monday and Tuesday - Come in school uniform everyday and bring your PE kits into school where they can remain for the term.

Squirrels - Wednesday and Friday - Come in school uniform everyday and bring your PE kits into school where they can remain for the term.

Badgers -Tuesday and Thursday - Please come in your PE kits on these day.

Mr Moore has been working hard to ensure all pupils have access to google classroom. All children should have come home with their log in details. Please use these to access the home learning - spelling / times table and reading.

Have a lovely weekend and look forward to seeing you next week.

If you do have any question or concerns then please do talk to me on the gate or email me on fsteer@aspire-kent.org.uk.

Primary-age children may not have previously had much experience with video chatting apps such as zoom, FaceTime and Skype, but may well be using them now for education or to keep in touch with family and friends.

To make sure your child has a positive experience video chatting online, read this guide for parents and carers.

The internet has many positive opportunities for children to learn and play, but it can also be used in negative and unkind ways.

It's really important to speak to your child about being kind online, and how they can get help if they see or hear anything that makes them feel worried, scared or sad. Use these conversation starters to help your child understand the importance of being kind online.

The term 'online friend' can be used to describe people you only know through the internet, or those that you also know offline. Some children make friends online by meeting new people through online platforms such as gaming sites.

To help children have positive online friendships, read this handy guide.
