'Take the Gospel to the nations'

This week in AOW we have been looking at the order of the Mustard Seed. The above quote was part of their promise.

What 'good news' can you spread?

Another beautiful week (slightly chilly at times) but the bright sunshine has been beautiful. This week both bubbles have been over to the church to join in with Acts of Worship. All children and adults have thoroughly enjoyed this experience. The children will be having Acts of Worship in the church every other week.

What did you enjoy about worship today?

'The calm and peace and how beautiful the church is' (Max Y4)

All classes this week have taken part in a writing competition. This has been called telescopic writing. It works by starting with a poor sentence which the children improve upon.

Starting sentence ' I had cake'.

The winner in each class is:

Hedgehogs—Victoria - I had a piece of cake with a chocolate cream.

Squirrels -Jazymn - I had a piece of scrumptious chocolate cake with delicious, wonderful tasty chocolate cream.

Badgers—Rivers—Last Wednesday I had some amazing cake. My stomach rumbled like an earthquake. It was covered in warm chocolate cream, the cream was as shiny as a reflection of iron in front of the sun.

There will be another writing competition in T6. Well done to all!

Next week there will be an events leaflet coming out for term 6. This will let you know all the exciting opportunities the children will be experiencing in T6.

SENCO Chats - Mrs Coleman has sent letters to our SEND children if they would like to arrange an appointment to talk through the provision of their child. If any other family would like to

Fidget toys - Many children are bringing in toys classed as 'fidget toys'. These are allowed in school for those children that need them - to keep them focused on their learning throughout the day. These must be used correctly and appropriately. If they are not they will be kept by the teacher until the end of the day.

We have two exciting job opportunities coming up:

Leeds and Broomfield are looking for a new crossing patrol person. This is for an hour every day in term time. 8:30 - 9:00am and 3:00 - 3:30pm. Please talk to our current and fantastic crossing patrol Mr Jackson if you would like any further information or myself and we can point you in the right direction to apply for the position with Kent County Council.

Sharing Photos:

It's harder to stay connected with our friends and family right now, so you may be sharing more images and videos of our children online via social media. But before you do, there are some important things to consider.

Read sharing pictures of your children for info on how to protect your younger, or older child whilst staying social.
