

Leeds and Broomfield C of E Primary School

Many Hands Build a House, Many Hearts Make a School

(Matthew 7:24-27 : The Wise and Foolish Builders)

Resilience, Curiosity, Honesty, Respect, Empathy

NEWSLETTER—Friday 23rd April 2021

And he saith unto them, Follow me, and I will make you fishers of men.

This week we have been looking at the book of Matthew. Jesus helped and supported many people. Can you help someone this weekend?

Welcome back to Term 5 - My first term 5 as head not in lockdown! All the children have come back into school fantastically and all classes have definitely been making use of the outside learning in the sunshine. A big hello and welcome to our two new pupils Jubilee and Benjamin.

Hedgehogs - Have been busy turning the outside role play into a pirate ship. The inside role play area is full of different shaped cardboard boxes for the children to create any role play of their choice. The children have called it 'magic land'.

Squirrels - Have been beginning their new topic all about food. Today they have enjoyed making soup from different vegetables. Earlier in the week they used fruit within part of their art lessons. Their pictures are amazing. Please look on our school website under classes for some photos.

Badgers - Have started their new book 'The nowhere Emporium' and have been writing poetry. The children have also taking part in discussions about the internet and how to keep safe online.

All children who attended the sports stars sport club on Tuesday thoroughly enjoyed themselves. This club is now full but we will keep a waiting list for anyone else that is interested.

PE times

Hedgehogs - Monday and Tuesday - Come in school uniform everyday and bring your PE kits into school where they can remain for the term.

Squirrels - Wednesday and Friday - Come in school uniform everyday and bring your PE kits into school where they can remain for the term.

Badgers -Tuesday and Thursday - Please come in your PE kits on these days.

Mr Moore has been working hard to ensure all pupils have access to google classroom. All children should have come home with their log in details. Please use these to access the home learning - spelling / times table and reading.

If you do have any question or concerns then please do talk to me on the gate or email me on fsteer@aspire-kent.org.uk.

Mrs F Steer

Pupil of the Week

Watching Videos

Children love to watch videos and YouTube is always a firm favourite! But sometimes children can be exposed to videos that are not meant for them. [YouTube Kids](#) is a safer way for children to explore their interests. You can find more information about this on [YouTube: what parents need to know](#) .

Remember, primary-age children should be supervised at all times when online.
