Dear year 6 parents,

I am writing to you with this week's tip for parents to support your year 6 in their transition to secondary school.

**Tip for Parents/carers**

This week in school your child will be discussing how to purchase food for lunch times. Will your child be having packed lunch or using the canteen? Most schools use a cashless system which will mean that parents entrust that their child will not spend it all in one day! Discuss healthy meal options, budgeting and problem solving (e.g. what to do if the card gets lost, money runs out etc.)

In school the children have been discussing lunchtimes, menus and keeping to their parents budget !

Please contact your child's head of school or class teacher if you have any questions or concerns.

Kind regards,
