Many Hands Build a House, Many Hearts Make a School  
(Matthew 7:24-27 : The Wise and Foolish Builders )

**Resilience, Curiosity, Honesty, Respect, Empathy**

**Friday 18th June 2021**

**'Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up'**

What a busy second week we have had, mixed in with very hot weather and very wet weather!

Hedgehogs have been continuing their learning on flowers and have been exploring how to make a greenhouse for seeds to grow. The discussions around their designs were fantastic!

Squirrels class have been planting seeds as part of a science investigation. All in different areas for example in the dark, no soil, no water and then the opposite. Which ones will survive?

Badgers class Year 6 had a great time at Ottenden on Tuesday. One of their favourite parts was going on a bug hunt! The Year 4 and 5 were very helpful on Tuesday morning helping to sell cakes and books to go towards our three chosen charities for this year.

Week beginning the 21st June is sports week. On Thursday 24th June all children are taking part in a school version of race for life. Please see link below for more information and a link to the just giving page. <https://fundraise.cancerresearchuk.org/page/aspire-federation-schools-race-for-life>

### **PROUD awards**

After speaking to pupils and staff we wanted to build children's self esteem and confidence in themselves. Each pupil needs to work to get a badge for each letter of the word PROUD.

P - Pleasure in work

R - Respect in work

O - Organised in work

U - Unique in work

D - Distinction

Each class has a different colour badge to collect. The children can put these on their bags or on their school jumpers.

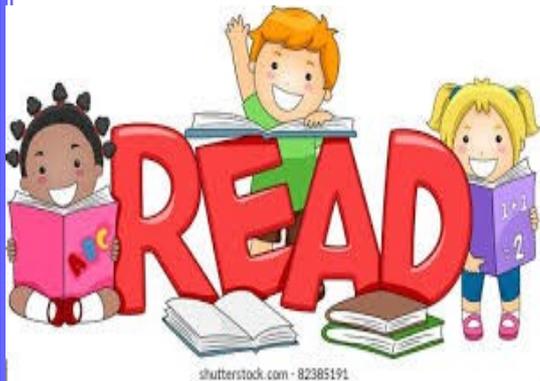

PROUD winners - the winners are: **Keira, Patience, Ryan, Oliver R and Lacey D.**

A massive well done.

Unfortunately after the latest announcement from the prime minister we will have to postpone all discos and story time for the rest of this term. Instead the discos will take place in school time led by the teachers in their classes. Year 6 your sleep over can continue to go ahead with our risk assessment in place. This will just be for Year 6 leavers and no parents. More information will follow.

All Year 6 transition has been cancelled. I will keep you posted on the developments as to what secondary schools are now going offer through a virtual form.

Our new Year R transitions are still going ahead on Tuesday 29th and Wednesday 30th but will need to be done in a different format and so they do not mix with our current children. More information will follow next week.

**Rocket Readers** - The red cards are coming home for the last time this academic year. Who can read 10 times between now and Tuesday 29th June. Some of you are getting close to reaching the sun on the planet climb!

### Exciting job opportunity:

Online Safety - <https://www.thinkuknow.co.uk/parents/> Please use this link to access all support mentioned below.

**Supervise their online activity:** Keep the devices your child uses in communal areas of the house such as the living room or kitchen, where an adult is able to supervise. Primary-age children should not access the internet in private spaces alone, such as in a bedroom or bathroom.

**Please do keep talking to your children about what they are doing on devices. It is really important to keep and open and honest conversation between all.**

Please try to wear a mask when collecting and picking up your children to keep everyone safe.

Please also use the hand sanitiser on your way into school and on your way out to keep us all safe.
