Resilience, Curiosity, Honesty, Respect, Empathy

Friday 25th June 2021

We have been talking about the importance of communication this week. Is there someone you have not seen or spoken to recently? Could you reach out?

Despite the weather the children have had a great sports week.

### **Monday**

The children have taken part in drowning prevention using activities from the royal life saving society UK. What would you do if you got into trouble around water?

### **Wednesday**

Classes discussed their favourite physical activities. Once they find easy and ones they need to practice a little bit more.

### **Thursday**

The children took part in a range of different physical activities during the morning trying to beat their personal best. The morning finished off with some great competitive running races.

In the afternoon all the children took part in the race for life. All children managed at least 1K and some made it all the way to 5k.

## PROUD awards

After speaking to pupils and staff we wanted to build children's self esteem and confidence in themselves. Each pupil needs to work to get a badge for each letter of the word PROUD.

P - Pleasure in work

R - Respect in work

O - Organised in work

U - Unique in work

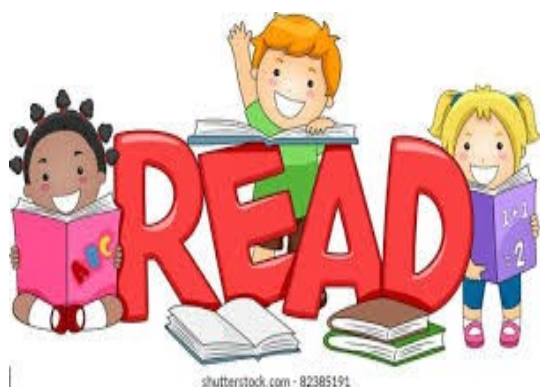

D - Distinction

Each class has a different colour badge to collect. The children can put these on their bags or on their school jumpers.

Whole school - Badges to be given out on Tuesday.

A massive well done to everyone, you have shown great teamwork and resilience.

Congratulations to Diamonds Blue Team for winning on sports Day - Well Done Everyone!
