Many Hands Build a House, Many Hearts Make a School  
(Matthew 7:24-27 : The Wise and Foolish Builders )

Resilience, Curiosity, Honesty, Respect, Empathy

Wow I do not believe this is my last newsletter of the academic year.

I feel very proud of all the children, families and staff. All have shown great resilience and empathy to each other over this last year; supporting, listening and making each other smile when it was really needed. A massive well done to all!

A big thank you to FOLSA led by Mrs Rookledge in supporting the school through this tough year and I think we all look forward to working together to provide some fantastic events next academic year. There will be a meeting for FOLSA in September to invite our new families too and begin to plan the year ahead. A big thank you from all the children at L&B for the ice creams!

I wish all the leaving pupils the best of luck in their new schools on the next part of their learning journeys. I am sure all the Year 6 will enjoy their 'camp out' tonight and there will be some tired children and adults on Saturday morning.

## **PROUD awards**

After speaking to pupils and staff we wanted to build children's self esteem and confidence in themselves. Each pupil needs to work to get a badge for each letter of the word PROUD.

- P - Pleasure in work
- R - Respect in work
- O - Organised in work
- U - Unique in work
- D - Distinction

Each class has a different colour badge to collect. The children can put these on their bags or on their school jumpers.

**This week's PROUD winners are Amelie, Amos, Cameron, Ellie-Mia, George J, Lulu, Megan, Patience, Ronny, Tom, Tyana, and Wesley. A massive well done!**

These will be continuing in September so children can continue to work hard and be proud of themselves to collect their badges.

### Kent Test (11+) Familiarisation

If you are considering whether grammar school is an appropriate option for your children, Kent County Council's website carries a [familiarisation paper](#). In addition, on the same page of the website there is a link to [free 11+ practice materials](#) for parents offered by the current test provider, including booklets which guide you through administering and marking a practice test,

**Children love to watch videos and YouTube is always a firm favourite! But sometimes children can be exposed to videos that are not meant for them. YouTube Kids is a safer way for children to explore their interests. You can find more information about this on YouTube: what parents need to know.**

**Remember, primary-age children should be supervised at all times when online.**

The fabulous **Unicorn Theatre** has another online free offering.

Join Marvin as he discovers wildlife and friendship in the most unlikely places. Touching on themes of racial prejudice and self-belief, *Marvin's Binoculars* is a highly engaging and vibrant show that will inspire children to explore the outdoors in their local green spaces.
