Proverbs: 4.13, 19.27. 'Hold on to what you learn, for your education is your life. When you stop learning, you soon neglect what you already know'.

What have you learnt today?

This week we have been able to welcome children back to a range of clubs led by the teachers of the school. It has been great to be able to give the children some extra opportunities to explore the things they love.

Hedgehogs have been busy using different manipulatives to make different numbers. How can you make 5 or 10?

Squirrels have been continuing their reading of the cave baby and have been sequencing the stories in pictures and sentences.

Badgers are using their great range of vocabulary to improve their sentences which they will be using in their writing piece next week.

Thank you for all those parents that attended the Year R parents meeting followed by the FOLSA meeting. Mrs Rookledge the chair of Folsa has already had some raffle prizes for the Christmas raffle. The first event run by FOLSA will be the school disco on Friday 15th October until 5pm. Please get in contact with FOLSA if you can support this event or future events. chairoffolsa@gmail.com

PROUD awards

After speaking to pupils and staff we wanted to build children's self esteem and confidence in themselves. Each pupil needs to work to get a badge for each letter of the word PROUD.

- P - Pleasure in work
- R - Respect in work
- O - Organised in work
- U - Unique in work
- D - Distinction

Each class has a different colour badge to collect. The children can put these on their bags or on their school jumpers.

This week's PROUD winners are James K, Leo K, Tyana M, Daniel T and Rebecca V. A massive well done!

Online Safety - <https://www.thinkuknow.co.uk/parents/> Please use this link to access all support mentioned below.

Steps you can take to help keep your child safer online

Parental controls: Parental controls have been designed to help you manage your child's online activities. There are various types, some of which are free but others which can be bought. However, nothing is totally fool proof so this shouldn't replace the support and guidance you give your child to help keep them safer. For more information and step by step instructions on setting up parental controls, visit [Parental Controls & Privacy Settings Guides - Internet Matters](#).

Explore together and chat little and often: Ask your child to show you their favourite apps, games and sites and encourage them to teach you how to use these. Ask them if anything ever worries them online. Make sure they know they won't be in trouble and can get help by talking to you or another adult they trust if anything happens online that makes them feel worried, sad or scared.

Remember, primary-age children should be supervised at all times when online.

Future Dates:

Tuesday 28th September Coffee Morning 9 - 10am. Chance to informal meet other parents and chat to myself and Mrs Coleman (SENCO) over a cup of tea and piece of cake.
