'Serving the common good'. We have been exploring this phrase throughout our AOW. What does it mean to you? What image would you associate with this phrase?

Hedgehogs have had some new and interesting shaped blocks in their class. They have been using their imaginations as to what they could be. One of my favourites was making them into dinosaur teeth. This then led on to making giant tooth brushes. Great active learning!

Squirrels have been looking at family groups in Science, exploring what they eat and naming carnivores, herbivores and omnivores. They then moved on to food chains which they will be continuing next week.

Badgers thoroughly enjoyed the opportunity to look at stars and planets on Wednesday evening. A big thank you to Miss Foad and Mrs Cannell for organising and for the parents who brought their children back to school.

Monday 7th February all children will be having PE lessons. Please make sure all children are in activewear.
Thank you!

Attendance Matters

Our Attendance has dropped a bit this week to 92.8%. Come on, let's improve for the final week of term!

PROUD awards

After speaking to pupils and staff we wanted to build children's self esteem and confidence in themselves. Each pupil needs to work to get a badge for each letter of the word PROUD.

- P - Pleasure in work
- R - Respect in work
- O - Organised in work
- U - Unique in work
- D - Distinction

Each class has a different colour badge to collect. The children can put these on their bags or on their school jumpers.

This week's PROUD winner is Ben B. A massive well done!

The gate is open in the morning between 8:30 - 8:50am and at the end of the day between 3:00 - 3:20pm. To ease congestion in the car park, staggered drop off and pick up times are as follows:

Morning:

8:30-8:40 Years R, 1 and 2 8:40-8:50 Years 3-6

Afternoon:

3:00-3:10 Years R, 1 and 2 3:10-3:20 Years 3-6

Please try and drop your child and pick your child up between these times.

Please do not park in front of the church gates as this causes more congestion and is discourteous to the owners of the house by the church. Thank you.

Online Safety - Please continue to talk to your children about the games and apps they are using online. Google have five fundamentals of their internet code to be an Internet Legend. See below for one of them. Many children have been talking about squid games and duggy wuggy. There are videos on YouTube. These are not nice games and I would block them if they appear on your children's phones or tablets. Please keep that open conversation with your children.

BE INTERNET KIND Respect Each Other

The internet amplifies everything: good things seem more exciting, bad things seem much worse and can hurt – a lot. A great rule to live by online, as well as off, is 'treat others as you would like to be treated yourself'. Children can have a positive impact on others and stop bullying in its tracks by refusing to join in.

Set an Example

- Be a force for good. Use the power of the internet to be nice, not nasty.
- Stop the spread of harmful or untrue messages by not passing them on to others.
- Respect others' differences.

Lead the way

- Block mean, upsetting or inappropriate behaviour online.
- Be a Legend. Step in and provide support to those being bullied.
- Encourage everyone to speak up against, and report, online bullying.

Remember, primary-age children should be supervised at all times when online.

Reminder:

No ear-rings for PE

Reminder:

Please remember to bring in a pair of wellies or a second pair of trainers so the children can play on the field in all weathers.

Could I please ask that if you are handing anything into the class teacher or myself on the gate that it is in a named envelope with an explanation as to what the money is for please. Thank you.
