NEWSLETTER 23—Friday 11 March 2022

This week we have been learning about parables from the Bible. These stories have a hidden meaning. We looked at one from the book of Matthew about hidden treasure. Could you give up all your things for some hidden treasure? Remember you do not know what the treasure is.

Hedgehogs have been reading Oi dog. They have been looking at rhyming words. Can you spot any rhyming words in the books you read?

Squirrels have been looking at materials and seeing how they change in different temperatures. They are looking forward to finding out next week.

Badgers have been writing non-chronological reports based on their trip to the river last week - which they thoroughly enjoyed!

Thank you for your patience this week while we have been low on the ground with staff due to covid. They are all doing OK and hoping to be back next week.

Car Park - Thank you to all families for your patience especially at the end of the school day when the parking seems exceptionally busy. Please can I ask that you do not park in the entrance / exit to the car park or in front of the church as this restricts space for cars to pull in and out. Thank you for your support.

PROUD awards

After speaking to pupils and staff we wanted to build children's self esteem and confidence in themselves. Each pupil needs to work to get a badge for each letter of the word PROUD.

P - Pleasure in work

R - Respect in work

O - Organised in work

U - Unique in work

D - Distinction

Each class has a different colour badge to collect. The children can put these on their bags or on their school jumpers.

This week's PROUD winners are: Aaditya, Diana, Tom, Cassy and Ellie-Mia. Well done!

The gate is open in the morning between 8:30 - 8:50am and at the end of the day between 3:00 - 3:20pm. To ease congestion in the car park, staggered drop off and pick up times are as follows:

Morning:

8:30-8:40 Years R, 1 and 2 8:40-8:50 Years 3-6

Afternoon:

3:00-3:10 Years R, 1 and 2 3:10-3:20 Years 3-6

Please try and drop your child and pick your child up between these times.

Online Safety - Please continue to talk to your children about the games and apps they are using online. Google have five fundamentals of their internet code to be an Internet Legend. See below for one of them. Many children have been talking about squid games and duggy wuggy. There are videos on YouTube. These are not nice games and I would block them if they appear on your children's phones or tablets. Please keep that open conversation with your children.

BE INTERNET SHARP

Think Before You Share

Good (and bad) news travels fast online, and children can sometimes find themselves in tricky situations with lasting consequences. But what can they do to prevent this? The answer: understand how to share smartly with those they know - and those they don't.

Every Word Matters

- Treat online communication the same as face-to-face communication.
- If it isn't right to say, it isn't right to post. If in doubt, get guidance on what kind of communication is (and isn't) OK.
- Personal details about family, friends - and yourself - should stay private.

Remember, primary-age children should be supervised at all times when online.
