NEWSLETTER 24—Friday 1st April 2022

Happy Easter to all. I hope you all have a lovely break full of chocolate and most importantly a time to stop, re-charge and reflect.

Hedgehogs have been learning how to write letters to different people. This has been based on a book where a Giraffe gets captured and the children need to write a letter to make sure the giraffe is ok. Can they write a letter to someone over the Easter holidays.

Squirrels. thoroughly enjoyed their school trip yesterday to Kent Life. They took part in fantastic workshops and managed to use all their knowledge and skills they have learnt.

Badgers. have been writing poems. The room was full of a range of different music depending on the time of poetry the children were writing. This even sparked some to continue this learning outside at lunch times!

A huge THANK YOU to FOLSA for the Easter eggs the children & adults had so much fun finding them! We will certainly all enjoy

New classroom update: Next week we will begin to empty our additional store room (the old shelters on the playground) as this will be turned into an additional teaching space for a year group to use while the new classrooms are built. This is a positive step forward. This building work will be happening during term 5. Please follow any signs or paths to keep all safe when we return after Easter. Thank you.

Online Safety - Please continue to talk to your children about the games and apps they are using online. Google have five fundamentals of their internet code to be an Internet Legend. See below for one of them. Many children have been talking about squid games and duggy wuggy. There are videos on YouTube. These are not nice games and I would block them if they appear on your children's phones or tablets. Please keep that open conversation with your children

BE INTERNET BRAVE

When in Doubt, Talk It Out

One lesson that applies to any and all encounters of the digital kind: When kids come across something questionable, they should feel comfortable talking to a trusted adult. Adults can support this behavior by fostering open communication at home and in the classroom.

Encourage Internet Brave Behavior

- Be clear about family or classroom rules and expectations around technology, as well as consequences for inappropriate use.
-
- Keep the dialogue going by checking in frequently and encouraging kids to ask questions.
-
- Extend the conversation to other trusted adults like teachers, coaches, counselors, friends, and relatives.

We hope that you have been finding our Parent/Carer Wellbeing Newsletter useful. A reminder that if you need any wellbeing advice, guidance or support, please email wellbeing@aspire-kent.org.uk

Many different assessments will be taking place next term. Please can I ask that all children attend school everyday unless they are too poorly to be at school. No school time holidays will be authorised this is the Kent County Council policy.

All being well I am hoping to invite all parents back to the church for AOW every Friday at 8:50am after the Easter break.
