

Thursday 30th March 2022

Dear parents of year 6 pupils,

I am writing with this week's transition tip, which is about timetables and self organisation. It is always a shock to children that they have to read timetables and remember the right books and equipment for the day.

The Easter holidays may be a good time to practice the journey to school especially if this is going to be via public bus, there is a timetable to be read for this too !

#### **Family Transition Tip 4**

This week your child/ren have been learning about how to manage and organise a school timetable. Is there an example of a timetable on the school website? What equipment/resources does your child need to take into school on specific days? Can your child do this independently? Start to instil in your son/daughter that there are usually consequences at secondary schools for students that do not have the correct equipment/resources.

Please do contact your child's class teacher if you have any concerns about your child's transition.

Kind regards,

Emma Hickling
