Resilience, Curiosity, Honesty, Respect, Empathy

NEWSLETTER 24—Friday 29nd April 2022

This week the children have been thinking about what it is to be generous. The children have discussed stories from the Bible when Jesus showed generosity.

What can you do over the weekend to be generous?

Give your time / Share / Be kind / Put other people first

**Hedgehogs** have been looking at different stories that are set in a castle. This week they have been looking at Cinderella. The children have acted the story out, made different props and have had a go at writing parts of the story.

**Squirrels**. have been thoroughly enjoying their new sports for PE. This term they are looking at cricket and tri golf.

**Badgers**. have begun designing their DT project for this term which will result in all the children developing their skills of sewing.

Thank you to all those families that have completed the nurture questionnaire. It is not too late. Please hand in any remaining questionnaires on Tuesday 3rd May.

This week we have been able to welcome some of our governors back in to be part of our school community and talk to the children about the learning they have been doing. They thoroughly enjoyed their visit and were especially impressed by the children leading the Act of Worship.

Share with Care Information travels fast online, and without some careful consideration, we can find ourselves in situations that may have lasting consequences. The solution? Learning how and what to share with people we know and people we really don't know.
