NEWSLETTER 26 Friday 13th May 2022

This week we have been thinking about neighbours, close by and far away.

Hedgehogs. have been looking at ways they can draw themselves. This could be through using the computer or paint, pastels and drawing. What media would you choose?

Squirrels. have been looking at how to make crumble as part of their DT learning on food. The classroom smelt gorgeous when they were making their fruit kebabs.

Badgers. I am very proud of the Y6 pupils who have worked tremendously hard this week. Well done! The year 4 and 5 have been continuing their learning and have been very supportive of the year 6 pupils.

Massive thank you to Maidstone Lions Club for the defibrillator for the school. On Monday 6th June there will be a stall where we will raise money towards the Lion Club to support another school in getting a defibrillator. Thank you
