NEWSLETTER 47—Friday 8 July

Is it easy or hard to forgive? There are many references in the Bible when Jesus forgives.
Can you forgive and let go?

Hedgehogs have been learning all about directional and positional vocabulary such as forwards and backwards, left and right. The children have been pretending to be robots and the controller has had to be directing them around the classroom.

Squirrels have been very much enjoying preparing for sports day next week. The running lines have been painted, batons are ready and the children are full of energy. I think it is going to be a very speedy event.

Badgers have been continuing their learning about the Islam faith. They have been looking at connections between being a Muslim, a Christian and a person of no faith in England. They have found similar threads in all three such as being kind and respecting each other.

REMINDER

Please remember to put sun cream on your child in the morning and provide them with a hat and a water bottle daily.
