**WE ARE LOOKING FOR PARENTS TO VOLUNTEER**  
to become School Governors for the ASPIRE Federation

**Governors come from a wide range of different backgrounds, and we are currently looking for a dedicated parent to become one of two Parent Governors on our Governing Board.**

Governors need a variety of transferable skills and experience, whilst all sharing one common interest, ensuring the best possible education for the children in our Federation Schools.

We value energy, enthusiasm and commitment to the role and would be delighted to hear from anyone interested in all our children's education and the performance of our schools.

The ideal Governor has time, an enquiring mind, the confidence to ask questions and debate issues affecting the schools in the Federation and the ability to consider matters objectively and make informed judgements.

Governors need a variety of transferable skills and experience, as well as an everyday knowledge of internet skills and modern technology. Governors need to commit to visiting the schools regularly for monitoring, attend 6 Full Governing Board Meetings per year, plus initial New Governor training and at least three further training sessions every year.

**Would you like a chance to make a difference, to not just your own child but all the children in our Federation, by ensuring they reach their full potential?**

Please contact Sam Branchett, Office Manager, for further information and an application form and our Chair of Governors is always willing to call you for an initial informal chat
