In Worship this week we have been looking at miracles that Jesus has performed. What do these mean to you?

Can you look out for small miracles that happen everyday?

Hedgehogs - Thoroughly enjoyed their trip to Maidstone museum to further their learning on dinosaurs. The children learnt about fossils and how they were formed and had a chance to make their own out of clay. They had an amazing time.

Squirrels - Have been looking at magnetic and non-magnetic materials around the school. Can you find something in your home that is magnetic?

Badgers - Have been continuing their learning on World War Two and have been covering the Holocaust. This has evoked a lot of emotions with the children but some great questions and understanding has come out of their learning.

WOW - what an amazing turn out for rocket readers. Well done to all those children that read 10times! One step closer to the sun at the end of the year!

PROUD awards

After speaking to pupils and staff we wanted to build children's self esteem and confidence in themselves. Each pupil needs to work to get a badge for each letter of the word PROUD.

- P - Pleasure in work
- R - Respect in work
- O - Organised in work
- U - Unique in work
- D - Distinction

Each class has a different colour badge to collect. The children can put these on their bags or on their school jumpers.

This weeks PROUD winners are : The whole of Hedgehog Class, all the children who went to Young Voices, Lulu, Nehemiah, Leo K, Alfie, Ronny, Oliver P and Frankie L

A massive well done.

A special well done to all those children that joined myself, Mrs Cannell and Miss Foad at the O2 on Tuesday. It was an amazing experience for us all. The children were very well behaved and were a credit to Leeds and Broomfield and the Aspire Federation. A massive thank you to Miss Foad for organising it.

We finally have a date for the building work to start. This is the 1st February. Once the work vehicles and machines are on site there will be fencing around our playground. I will be on hand to direct families as to how to drop off and collect their children. This is long awaited and is very exciting. Thank you for your continued patience.

Future Dates:

NSPCC Number Day 3rd February - Children will be taking part in different number activities. Please also come dressed in your own clothes bring in a bar / box of chocolates for the FOLSA chocolate bingo - thank you

Finally we have our SIAMS inspection of Tuesday 31st January. SIAMS inspection focuses on the impact of the Church school's Christian vision on pupils and adults. This involves looking at the school's Christian vision, the provision the school makes because of this vision and how effective this provision is in enabling all pupils to flourish. Therefore there will be two additional people around the school on Tuesday talking to adults and children.
