NEWSLETTER 20—Friday 10th February 2023

What are you Curious about? Jesus talked about wanting all to be life long learners. Have you learnt anything new today?

**Hedgehogs - Have been measuring the lengths of the different dinosaurs. What is the longest dinosaur you can think of?**

**Squirrels - Have been continuing their fantastic learning in writing; Using superb vocabulary and great content linking to their theme this term. Well done!**

**Badgers - Have been looking at fractions in maths. Some have been finding a fraction of a shape while others have been adding, subtracting and multiplying fractions.**

**Over half term our mobiles will begin to be demolished!**

**This is a great step towards our new modular classrooms being installed.**

## PROUD awards

After speaking to pupils and staff we wanted to build children's self esteem and confidence in themselves. Each pupil needs to work to get a badge for each letter of the word PROUD.

- P - Pleasure in work
- R - Respect in work
- O - Organised in work
- U - Unique in work
- D - Distinction

Each class has a different colour badge to collect. The children can put these on their bags or on their school jumpers.

This weeks PROUD winners are : Caleb, Harrison, Sophia H, Henry, Charlotte, Wesley, Lacey D, Dudley, Harry, Cindy and Sydney

A massive well done.

On Friday 3rd March the ASPIRE Federation will be celebrating World Book Day.  
The aim of the day is to promote reading for pleasure and relaxation, and help create readers for life.

On this day we are inviting the children to wear their pjs or comfy clothes and bring a copy of their favourite 'bed time story' to share with others throughout the day.
