NEWSLETTER 25—Friday 24th March 2023

What sort of a leader would you be? We have been looking at leaders and kings? What sort of leader was Jesus?

What can you take from Jesus' leadership into your role today?

Hedgehogs - Have been listening to a wide range of music this week including 'Le Mer' by Debussy. The children have been interpreting the music onto paper using a range of different directions with their lines. We have some very inspired artists in the mix.

Squirrels - Have been wowing Miss Nel with their writing. All the children are inspiring each other and every single member of Squirrels has challenged themselves in their writing and presentation. Well done!

Badgers - Have been working on a text called 'The Piano' based in World War 2. It is very emotive and has led to some emotional but great discussions about the war and choices that people had to make.

Red Nose Day we raised £99.03. Thank you for your donations.

Easter Service in the Church on Friday 31st March at 9am, all are welcome to come and join our celebration of Easter.

WE ARE LOOKING FOR VOLUNTEERS to become School Governors for The ASPIRE Federation

Governors come from a wide range of different backgrounds, and we are currently looking for new Governors on our Governing Board.

Governors need a variety of transferable skills and experience, whilst all sharing one common interest, ensuring the best possible education for the children in our four Federation Schools.

We value energy, enthusiasm and commitment to the role and would be delighted to hear from anyone who is interested in all the Federation children's education and the performance of our schools.

The ideal Governor has time, an enquiring mind, the confidence to ask questions and debate issues affecting the schools in the Federation and the ability to consider matters objectively and make informed judgements.

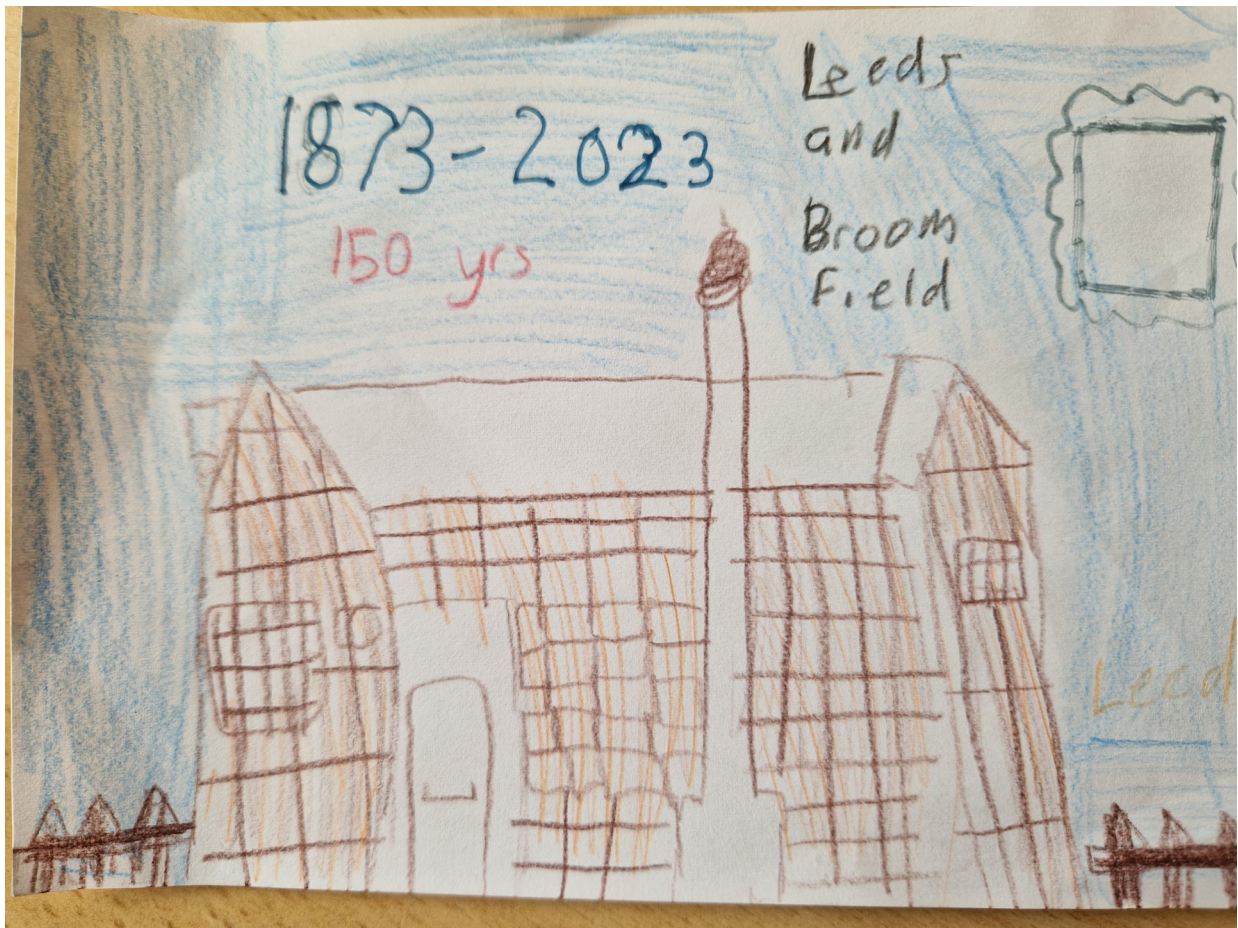

Governors need a variety of transferable skills and experience, as well as an everyday knowledge of internet skills and modern technology as much of our work is done virtually. We also use a bespoke online Governance system.

Governors need to commit to visiting the school regularly for monitoring, attend 6 Full Governing Board Meetings per year both in person &/or virtually plus initial New Governor training and at least three further training sessions every year some of which can be done virtually.

If you would like a chance to make a difference to all the children in our Federation by ensuring they all reach their full potential.

Please contact Sam Branchett, Office Manager, for further information or an application form or the Chair of Governors is always happy to call you for an initial informal chat
