Dear Parents/Carers,

I hope you have all had good weeks and that the children have enjoyed the many learning opportunities within their classrooms. Please find below the usual round up or news and information.

Congratulations to Platts Heath

Yesterday Mr Waters shared some good news on behalf of Platts Heath - they are now a fully accredited nurture school. They are the second of the Aspire schools to gain this accreditation with Leeds and Broomfield being awarded it last year.

It means that all at Platts Heath have worked hard to make sure that all children are supported in a nurturing environment,

A big thank you to Mrs Morley, Mrs Russell, Mr Waters and all other staff involved in the application, training and assessment

Letter from Annie Allum

Please find a letter sent out with this one from Annie Allum, Chair of Governors for the Aspire Federation.

Sadly, as leaders we have been faced with an increasing number of parents and other visitors who find it acceptable to be disrespectful and at times aggressive. We do understand you are passionate about your children, however we do not come to work to be treated poorly, and I would ask that you treat my staff with respect, as I would expect them to give you. Issues are usually much better handled and sorted when the conversation is calm and actions can be agreed on.

We do have the right to ban any parent or visitor from the school premises if behaviour is not acceptable and we will when necessary. I would prefer not to use this measure as it also affects the children.

Thank you for your understanding. If you remain unhappy with how any issue is addressed please do contact me in writing by email at exehead@aspire-kent.org, during working hours of 8am - 5pm Monday to Friday

Wishing you all pleasant family weekends

Kind regards,

Emma Hickling
Executive Headteacher
