## Attendance Ladder

Parents have a legal duty to ensure that their children attend school regularly and arrive on time. Regular attendance is essential to the all-round development of the child and they should be allowed to take full advantage of educational opportunities available to them in order to make good progress in their learning. Poor attendance undermines their educational attainment and progress and, sometimes, puts pupils at risk by encouraging anti-social behaviour.

It is the parents' responsibility to contact the school on the first day their child is absent. This is a safeguarding issue requirement so that all parties know that your child is safe and their whereabouts is known. Parents should regularly update the school and inform the school when their child is returning.

Pupils are expected to arrive by 8.45 am. All pupils that arrive late must report, with their parent to the school office where the reason for lateness is recorded.

**If you are finding getting your child to school by 8:45 difficult please arrange to speak to Mrs Steer.**

**This does not affect the children on the bus.**
