inspire
kindness

This week children and adults have been spotting 'kindness'. We are filling our worship board with acts of kindness from everyone. Keep showing kindness to each other over half term.

kindness

Hedgehogs - Have been enjoying retelling a range of different stories using story language. I think their favourite is still The Three Billy Goats Gruff.

Foxes and **Squirrels** - had a great time at Chislehurst caves. They saw cave paintings and how the caves were used during World War 2. It gave the children great ideas to inspire their writing.

Badgers - Have completed their learning on the creation theme in Understanding Beliefs - World views. They much enjoyed listening and learning about how other faiths and non-faith say the world was created.

Nut Free School

We have a few children who are allergic to nuts across the school. For some this is an anaphylactic reaction and we have epipens in school. Please can I ask that all lunchboxes and snacks are nut free. Please double check chocolate spread ingredients.

Starting from Monday 30th October

In order to keep the car park safe and everyone in it we are going to trial time slots for classes. This will run for two weeks and we will then review.

A few pointers for the car park

- ♦ **Please do not park in the entrance to the car park - there will be little wooden people sat there to prevent parking. Parking here is dangerous for all.**
- ♦ **When the car park is at capacity - parents park down the middle. This does block people in but believe me the car park empties as quick as it fills.**
- ♦ **Please can we all have understanding, patience and consideration for others.**

10 INTERNET SAFETY TIPS FOR PARENTS

1 Don't block all access to technology. Help your child learn to use tech **safely** and **positively**.

2 Take an **interest** in your child's favourite apps or sites. Co-view or co-create at times.

3 Be the parent. You're in charge. Set **boundaries** and consider using filtering software.

4 Create a family media **agreement** with tech free zones such as cars, bedrooms, and meals.

5 Teach your child what **personal information** they should not reveal online (YAPPY acronym).

6 Help your child learn to **filter** information online and navigate fact from fiction.

7 Navigate digital **dilemmas** with your child. Avoid using devices as rewards or punishments.

8 **Balance** green time and screen time at home. Focus on basic developmental needs.

9 Don't support your child to sign up for sites with **age restrictions** (e.g. 13+) if they're underage.

10 **Learn more:** Explore reliable resources for parents so you can educate yourself.
