Good News-

I am pleased to inform you that Kingswood received their Nurture UK Accreditation! This award is evidence of the school's success in implementing and embedding a nurturing culture that responds to the social, emotional and mental health needs of its pupils, alongside their academic studies.

Well done to both staff and pupils for making this possible. What a wonderful Accreditation to receive within the Federation.

Fostering-

Could this be the year you become a foster carer or host for Kent County Council?

Kent Fostering and Supported Homes are looking for new carers and hosts to join the outstanding fostering community in helping to care for some of Kent's most vulnerable children and young people.

Being part of the process you'll receive excellent support, fantastic training opportunities and could really make a positive difference to a child's life.

Dental Care-

As you are probably aware there is a nationwide shortage of NHS dental appointments, especially in the Southeast. This has led to a large number of children without access to dental treatment.

Orchards House Dental Practice in Headcorn is offering extended opening hours for a limited period to improve access of vulnerable groups to NHS treatment.

These extra 'out of hours' sessions will be on a Thursday from 18th January until 21st March 17.00 to 20.00 for children below the age of 18 only.

Appointments are required, so if this is of interest to you please call **01622 890574**.

Cold Weather-

As you are all unfortunately aware, the weather is turbulent and very bitter at times recently. Please be careful on the roads and paths in icy conditions.

Please could I also remind you to ensure that your child/children have their winter coats, hats and gloves in school every day.

Wishing you all a lovely and restful weekend.

Kind regards,

Emma Hickling
Executive Headteacher
