

## Believe in you

Because your voice  
is important,  
Because your  
dreams matter,  
Because there is  
only one you,  
Because you are  
worth it.

This week we have been focusing on the gospels in the Bible. The children have been exploring messages shared through these and how they can help in their own lives.

As it is a new year we have been focusing on boosting each and every single member of L&B. We are now sharing this with our families. Believe in you!

Welcome and hello to Bert, Leong and Violet.

**Hedgehogs** - Have added to their doctors and ambulance this week. The children's role play, language and writing have all been impacted positively.

**Foxes** - Created their own musical patterns in music using tuned and untuned instruments. The children got the opportunity to be a conductor. We have some growing musicians.

**Squirrels** - Have welcomed two new pupils into their class. They have been very welcoming and both are settling into the class routine and making friends.

**Badgers** - Have enjoyed dropping different items from a height into different surfaces and measuring the impact in their science learning.

**After School Club**—This week have been practising their circus skills with stilt walking, plate spinning, diablo and juggling. Next week—traditional games / sports

## Road Crossing Patrol Vacancy

If you are interested please go to the information on the link below

: <https://recruitmenthub.solutions/members/modules/job/detail.php?record=9269>

We are still on the search for a crossing patrol. This position is through Kent County Council. It is 30mins in the morning and 30mins in the afternoon.

Morning 8:30 - 9:00

Afternoon 3:15 - 3:45

If you know anyone that would be interested I am happy to talk through the role and help with the application from KCC. It would be great to have a crossing patrol back in place to keep us all safe getting to and from school.

Advanced warning - 2nd February is NSPCC Maths Day. The children and adults are being invited to dress up as their avatar from TT Rockstars or Numbots - get creative!

The day will be filled with maths activities. If you would like to bring in a donation to go towards NSPCC that would be great!

Calling all sporting superstars!

We are very aware that many of our children take part in sporting activities outside of school time. This is something we want to celebrate and encourage. Whether you attend a boxing club, swim, dance, ice skate or have golf lessons, we want to know about all of it!

If you would like to share your sporting achievement, please send in a picture to the school office that we can use for a whole school display. Pictures should be no bigger than half an A4 size.
