NEWSLETTER 17—Friday 19th January 2024

Our story this week has been 'The Good Samaritan'.

Would you stop and help? Who would you call your neighbours?

Hedgehogs - Have been showing off their phonics skills. Across Year R and Year 1 they have been writing captions about rescue services. The children are matching sounds to letters and making words. The Year ones are adding descriptive phrases into their sentences.

Foxes - Have been continuing their work on the beast. The children had to produce a non-chronological report. They have come up with some wonderful descriptive sentences.

Squirrels - Are continuing their learning in Maths on multiplication. They have been looking at it as repeated addition and then also using other methods to find the answers.

Badgers - Have been using scratch on the computers to code how to get over and round rivers linking to their geography learning. Their next challenge will be to code the crumbles as part of their computing learning.

After School Club—Have been enjoying traditional games such as quoits, marbles and snakes & ladders. Next week's theme is Vehicles.

7th February 2024

Message this year is:

“Inspiring change? Making a difference, managing influence and navigating change online”.

The children will be taking part in different activities linked to this year’s theme.

If you are interested please go to the information on the link below

: <https://recruitmenthub.solutions/members/modules/job/detail.php?record=9269>

We are still on the search for a crossing patrol. This position is through Kent County Council. It is 30mins in the morning and 30mins in the afternoon.

Morning 8:30 - 9:00

Afternoon 3:15 - 3:45

If you know anyone that would be interested I am happy to talk through the role and help with the application from KCC. It would be great to have a crossing patrol back in place to keep us all safe getting to and from school.

NSPCC Speak out. Stay safe.

Advanced warning - 2nd February is NSPCC Maths Day. The children and adults are being invited to dress up as their avatar from TT Rockstars or Numbots - get creative!

The day will be filled with maths activities. If you would like to bring in a donation to go towards NSPCC that would be great!

We are very aware that many of our children take part in sporting activities outside of school time. This is something we want to celebrate and encourage. Whether you attend a boxing club, swim, dance, ice skate or have golf lessons, we want to know about all of it!

If you would like to share your sporting achievement, please send in a picture to the school office that we can use for a whole school display. Pictures should be no bigger than half an A4 size.

Rocket Readers Please colour in a star each time your child reads with you at home or you share a book together. In Years 3 - 6 please add in a new word which you have discussed the meaning of.
