It's not an easy
journey, to get to
a place where
you forgive people.
But it is such
a powerful place,

Luke 19:1-10

Our story this week has been about reaching out to those people who have made wrong choices or decisions. Can problems be talked through and resolved? Can the person change their ways and make up for what they have done?

Hedgehogs - Have been learning about 'doubles' in their maths tasks. What can you double over the weekend?

Foxes - Really enjoyed listening to the humanist speaker on Tuesday afternoon. They had some very deep thinking questions which made everyone ponder.

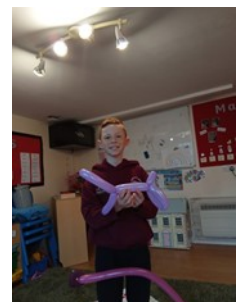

Squirrels - Have been learning about the different types of mountains which Miss Nel and the class have put actions to them. Ask your child at home to show you some.

Badgers - Have been enjoying their outdoor team building physical education lessons. They have had to work together and listen to each other's ideas.

After School Club—Have been enjoying animal balloon modelling, mask making and hide & seek this week. Next week's theme is back in time.

We are still on the search for a crossing patrol. This position is through Kent County Council. It is 30mins in the morning and 30mins in the afternoon.

Morning 8:30 - 9:00

Afternoon 3:15 - 3:45

If you know anyone that would be interested I am happy to talk through the role and help with the application from KCC. It would be great to have a crossing patrol back in place to keep us all safe getting to and from school.

PROUD awards

After speaking to pupils and staff we wanted to build children's self esteem and confidence in themselves. Each pupil needs to work to get a badge for each letter of the word PROUD.

R - Respect in work
O - Organised in work
U - Unique in work
D - Distinction

Each class has a different colour badge to collect. The children can put these on their bags or on their school jumpers.

Message from Miss Liddicoat - Active Leader for Aspire

Calling all sporting superstars!

We are very aware that many of our children take part in sporting activities outside of school time. This is something we want to celebrate and encourage. Whether you attend a boxing club, swim, dance, ice skate or have golf lessons, we want to know about all of it!

If you would like to share your sporting achievement, please send in a picture to the school office that we can use for a whole school display. Pictures should be no bigger than half an A4 size.

Next week is National Children's Mental Health Week with Place2Be, where the theme is: My Voice Matters! <https://www.place2be.org.uk>

If you can spend 5/10 mins just talking to / listening to your child it makes a big difference in the fast pace of life that we all live in!
