Looking further ahead- Kent Music Summer School (KMSS)

Kent Music School runs a summer school with a variety of courses. Some involve instruments, from beginner level upwards and there is also a musical theatre course.

The focus of the Summer School music courses is for young people to have fun while being encouraged and motivated to improve, supported by professional tutors and an experienced pastoral team. From new starters to experienced players, it's a place for everyone to enjoy themselves and enrich their summers, making friends and memories to last a lifetime!

KMSS offers something for all young musicians. Ability and experience needn't be barriers to entry. All courses are audition-free, and they can offer generous financial assistance to students who meet the criteria.
