Resilience, Curiosity, Honesty, Respect, Empathy
NEWSLETTER 27—Friday 19th April 2024

We have started the term thinking about how we can build resilience. One way of doing this is by trying something new.

Go on give something a go!

Hedgehogs - have been learning about animals and sorting them into different groups. They have also been making music to sound like different animals.

Foxes - are learning about Brazil this term. They are starting to look at where it is and what it would be like in Brazil.

Squirrels - have enjoyed learning about their new sport - Hockey. They have learnt how to hold the stick, dribble and hit. Most importantly to be looking where they are going.

Badgers - have been using skittles in their maths learning to support them in their % and fractions. It was a very positive maths lesson for all.

After School Club—After school club have enjoyed the spider's web, making oobleck and obstacle courses this week. Next week's theme is St George.

Please ensure all products brought onto school site do not contain nuts.

Healthy snack at break times such as nut free cereal bars and fruit for Squirrels and Badgers. Hedgehogs and Foxes are provided with a piece of fruit free of charge as part of the government scheme.

PROUD awards

After speaking to pupils and staff we wanted to build children's self esteem and confidence in themselves. Each pupil needs to work to get a badge for each letter of the word PROUD.

- P - Pleasure in work
- R - Respect in work
- O - Organised in work
- U - Unique in work
- D - Distinction

Each class has a different colour badge to collect. The children can put these on their bags or on their school jumpers.

This week's PROUD winners are: Ella, Jude F, Connie, Felicity, Storm, Nevaeh, Teddy W, Ruby D, Sophia M, Lilly M, Trixie, Bert and Elizabeth

A massive well done!
