NEWSLETTER 28—Friday 26th April 2024

“The kingdom of heaven is like a mustard seed that someone took and sowed in his field; 32 it is the smallest of all the seeds, but when it has grown it is the greatest of shrubs and becomes a tree, so that the birds of the air come and make nests in its branches.”

We have been looking at the parable of a mustard seed. How could you flourish and what could you become?

Hedgehogs - In computing the children have started to use scratch junior which is a coding programme. The children have to programme the bug to do certain things.

Foxes - Have been looking at counting in different sequences such as 2, 5, 10 and 3's. The children have been completing these sequences forwards and backwards.

Squirrels - Have been looking at fractions and how to get them into their simplest form. They all showed great resilience in their learning.

Badgers - Started the week with a talk from the House of Lords. This enabled the children an insight into the parliament, how it works and ask questions about the experiences they have had.

After School Club— have been doing outside games and being creative. Next weeks theme is Spring—ready for May Day.

Rocket Readers Please colour in a star each time your child reads with you at home or you share a book together. In Years 3 - 6 please add in a new word which you have discussed the meaning of.

The Rocket Reader slips will be collected in on Tuesday 7th May by the Class Teachers.

Please ensure all products brought onto school site do not contain nuts.

Healthy snack at break times such as nut free cereal bars and fruit for Squirrels and Badgers. Hedgehogs and Foxes are provided with a piece of fruit free of charge as part of the government scheme.

- O - Organised in work
- U - Unique in work
