

As many hands build a house; many hearts make a school.

This week in worship we have been looking at the word 'listen'. The question that we have been thinking about is

'Does it have to be silent to listen?'

Hedgehogs - Have been thinking about our feelings, linked to 'The Colour Monster'. Ask us how we are feeling and what we can do if we feel sad / worried / excited!

Foxes— Have been doing experiments with mirrors to learn about reflections in Science and have been using the 8 points of a compass in Geography

Squirrels - Have been doing diary entries as the Evil Queen from Snow White and learning about the digestive system using crackers and cola in Science.

Badgers - Have been finding out about the Andean condor and writing descriptive passages as if flying across the Andes, forming a class book, The Flight of the Condor. This is the link to the video we used for inspiration.

After School Club—Have made some amazing scone based pizzas this week!

Scarecrow Competition

The children will be making scarecrows on Friday 3rd October. We are in need of donations of old rags, plastic bags, wooden stakes, dowel rods, PVC piping, twine, zip ties, small clothing, gloves, hats, scarves, fabric, old pillowcases, fabric bags, ribbons and lace so that the scarecrows can be made. If you have anything that we can use please bring it into school before Friday 3rd October. Thank you.

We are entering the time of year of sickness and diarrhoea—if your child has been sick or has diarrhoea they are required to be off school for 48 hours from the last time they were sick or had diarrhoea. This is in line with the NHS guidelines which we have to follow.
