Many Hands Build a House, Many Hearts Make a School
(Matthew 7:24-27 : The Wise and Foolish Builders)

Resilience, Curiosity, Honesty, Respect, Empathy

NEWSLETTER 05—Friday 3rd October 2025

As many hands build a house; many hearts make a school.

Thank you for all your generous harvest donations. These will be delivered to the Maidstone homeless charity. This was chosen by the school council as one of our charities this year.

Hedgehogs - Have been writing sentences to describe what we can do remembering to use a capital letter and full stop. In Science we have been thinking about the parts of the body and exploring our senses.

Foxes— Have been using torches to find out what objects are opaque, translucent and transparent, they have also been looking at coins in Maths.

Squirrels - Have been finding out about capital cities, have been exploring the Egyptians through music and have been using the column method in addition and subtraction.

Badgers - Have been looking at how we can use our writing skills to persuade. We have been thinking about the language we use as well as how we share our opinions effectively.

After School Club— have been playing magic games, creating potions and making biscuits.
