Many Hands Build a House, Many Hearts Make a School
(Matthew 7:24-27 : The Wise and Foolish Builders)

Resilience, Curiosity, Honesty, Respect, Empathy
NEWSLETTER 06—Friday 10th October 2025

As many hands build a house; many hearts make a school.

We have been looking at famous and inspirational Christians around the globe. John Cadbury did not only inspire people with his great Chocolate business but also his teachings about Jesus and kindness to everyone.

What can you do to be Kind?

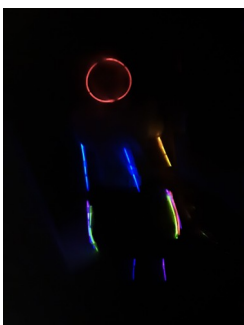

Hedgehogs - Have been thinking about where they live and the human and physical features of our local environment.

Foxes— Have been designing sunglasses and sun hats to protect against UV and have been using ballet movements with charcoal in Art.

Squirrels - Have been learning about food chains in Science, finding the missing numbers in Maths and learning about musical notation ready to write their own music.

Badgers - Have been writing a recount of our class book but in the style of a letter home to Tom's mum. We have also been creating our own maps of the school in the style of The Marauder's Map. This has proven to be very popular!

After School Club—have been making glow stick people, crumble and scarecrows this week

Our Scarecrows have been safely delivered to Sutton Valence Care home for their competition.

We had lots of fun making them. Thank you to everyone who donated items for us to use in these creations! Thank you to FOLSA for your help and to Mr Moore for transporting the scarecrows.

We are entering the time of year of sickness and diarrhoea—if your child has been sick or has diarrhoea they are required to be off school for 48 hours from the last time they were sick or had diarrhoea. This is in line with the NHS guidelines which we have to follow.

Support for reading at home

Children learning to read is a priority for all children. Read and share stories with your child as much as you can. Have fun with books and stories.

When your child is reading it is a mixture of many strategies such as decoding using phonics, picture cues and looking at the word as a whole. All these strategies are needed to support your child to read.

Please use the Oxford owl website below to support you in working with your child at home.
