As many hands build a house; many hearts make a school.

A great first week back to start T2.

This week we have been writing our own definition of Wisdom.

This is what we came up with

‘Wisdom is Knowledge and experience’

How would you describe wisdom?

Hedgehogs - have been investigating the changes we see in autumn. We enjoyed a soggy walk on the field! Which signs of autumn can you spot this weekend?

Foxes— have been learning how to wash a woolly mammoth as part of their instruction writing and have been creating cave art pictures.

Squirrels - have been looking at patterns in their timetables and have started work on the Romans and Anglo-Saxons in Britain and have linked their new book to this—Beowulf by Michael Morpurgo.

Badgers - New term, new class book, new theme: Anglo-Saxons and 1066. We have started reading Anglo-Saxon Boy by Tony Bradman as well as creating our own timelines to reflect that period of British history.

After School Club—have enjoyed being able to play outside in the dark again, we have great school grounds for hide and seek!

Early Learning Steps Pre School—Parish Rooms at Sutton Valence

We offer Early Years Education for children aged between 2 years old to the term before they start school. We are open daily between 9am until 3pm term time. We take both the 15 and 30 hour government funding. Our contract details

are manager.els.sv@outlook.com or 01622 842388 for more information.

We are entering the time of year of sickness and diarrhoea—if your child has been sick or has diarrhoea they are required to be off school for 48 hours from the last time they were sick or had diarrhoea. This is in line with the NHS guidelines which we have to follow.

Christian Vision and Values

Badgers— Evie

Support for reading at home

Children learning to read is a priority for all children. Read and share stories with your child as much as you can. Have fun with books and stories.

When your child is reading it is a mixture of many strategies such as decoding using phonics, picture cues and looking at the word as a whole. All these strategies are needed to support your child to read.

Please use the Oxford owl website below to support you in working with your child at home.
