Resilience, Curiosity, Honesty, Respect, Empathy  
NEWSLETTER 13—Friday 5th December 2025

**As many hands build a house; many hearts make a school.**

The countdown has begun. Advent is here. Christians around the world are getting ready for Christmas. What do you do to prepare for Christmas?

**Hedgehogs** - have been creating their own moving parts books using sliders to move characters up and down or side to side.

**Foxes**— have been designing their pop-up Christmas toy and in Science have been learning how exercise affects our bodies especially our heart rate.

**Squirrels** - have continued learning about fractions, have been creating dance formations in PE and have been looking at how Christians celebrate Christmas.

**Badgers** - those who have been in school have started their learning on fractions in Maths as well as beginning to create an Anglo-Saxon village.

**Year 5 & 6 Residential** - have had an amazing time rock climbing, skiing, orienteering and other activities, developing teamwork, confidence and resilience as they go

**After School Club**— .have enjoyed making obstacle courses, colouring and playing Christmas bingo

A big thank you to all the adults that made the Bowles residential trip highly successful this year. Some exhausted but very happy and muddy adults and pupils.
