NEWSLETTER 19—Friday 30th January 2026

**As many hands build a house; many hearts make a school.**

We have been talking in Worship about how we can support others.  
What could you do?

Thank you to everyone's support and understanding over my up and coming operation. I hope you all have a great February and look forward to seeing you all again in March with some warmer weather and sprouting flowers.

If you do have any concerns or worries please do contact the office -

## Lockers

Children need to bring into school a coat, water bottle and a packed lunch / snack. In Foxes / Squirrels / Badgers their bag needs to fit in their locker. If it does not the class teacher will ask you to not bring the bag into school again. This is due to fire regulations and ensuring that the walk ways are clear at all times.

Thank you for your support in this.

## Speech and Language Top Tip of the Week

**Repeat back your child's language in the correct way.**

**Praise the child's efforts, even if the results aren't perfect. If a child makes an error in a word or sentence simply say the correct version rather than pointing out the mistake. For example, if the child says, "I goed to the park", you might say "Wow, so you went to the park".**

**Hedgehogs** - have been learning about the countries that make the UK and the capital cities of each country.

**Foxes**— have been looking at ways to start their adventure stories and have been on a habitat walk around the school grounds.

**Squirrels** - have been researching the Amazon and Thames and then choosing one of them to create a fact file.

**Badgers** - have been busy this week planning and drafting our river stories, thinking about the language that we're using to bring our stories to life. We have also moved on to multiplying fractions in maths and looking at the role rivers play in our daily lives.

**After School Club**— have enjoyed the bikes, making biscuits and creating a puppet show this week
