Many Hands Build a House, Many Hearts Make a School
(Matthew 7:24-27 : The Wise and Foolish Builders)

Resilience, Curiosity, Honesty, Respect, Empathy
NEWSLETTER 27—Friday 2nd April 2026

Matthew 7:24–27

As many hands build a house; many hearts make a school.

I hope you all have a wonderful Easter break and look forward to welcoming you all back on Monday 20th April.

A big thank you to FOLSA for a very successful chocolate bingo and getting all the pupils an Easter egg for after the Easter hunt.

Thank you and Happy Easter

Speech and Language Top Tip of the Week

Try to have a conversation with your child every day.

Make sure this time is quiet to help them focus on your words, undisturbed, and is not being masked by the television or phone. You may want to make time to share a book or sing nursery rhymes together.

Attendance Procedures

Holly Deasy is the KCC Attendance Officer for this area.

Letter 1—lets you know that we are monitoring your child's attendance as it has gone below 95%

Letter 2—invites you in to discuss your child's attendance as it has not improved after a letter 1.

Hedgehogs - have been looking at the human and physical features of Brazil in geography and have also looked at how Easter is celebrated in Guatemala.

Foxes— this week have been looking at how the Olympics began in Ancient Greece—honouring Zeus. They have also been looking at kenning poems and have had a go at writing their own poems in this style.

Squirrels - this week we have made our own museum posters that include everything we have learnt about the Maya. We also planned and wrote a sequel to the book Rain Player. In DT, we created our final bridges and tested their strength and dimensions.

Badgers - this week we have been writing our own Maya folk tales about how the Mayans became successful farmers. We have included the role that the Maya Gods played in their daily lives as well the developments that they made which are still used in farming today.

After School Club— have enjoyed their own Easter egg hunt and solving the clues to find the key to the secret treasure chest.

Year 6 SATs week is week beginning the 11th May. All Year 6 to be present for this week.

Online Safety Top Tip—AI

Artificial Intelligence (AI) is becoming a regular part of children's online experiences. From chatbots and homework apps to creative tools, AI can offer exciting opportunities for learning and play.

But it also brings risks, especially when children are not sure what is real, who they are talking to, or how AI works.
