Many Hands Build a House, Many Hearts Make a School
(Matthew 7:24-27 : The Wise and Foolish Builders)

Resilience, Curiosity, Honesty, Respect, Empathy
NEWSLETTER 30—Friday 8th May 2026

“Love is patient, love is kind.
It does not envy, it does not
boast, it is not proud. It does
not dishonor others, it is
not self-seeking, it is not
easily angered, it keeps no
record of wrongs.”
1 Corinthians 13:4

As many hands build a house; many hearts make a school.

Can you spread love this weekend?

Capture of the sponsored walk and special person afternoon

Thank you to FOLSA for organising the Special Person Tea and to all the adults who came and joined us for the afternoon.

Lots of fun on the sponsored walk—especially rolling down hills!

Hedgehogs - have begun to look at Charles Darwin as a significant individual. In Understanding Beliefs we had an immersion day exploring who are Humanists and what they believe.

Foxes— have been learning about equivalent fractions. In Geography we have been looking at maps and scales and in art we have been learning about animated puppets.

Squirrels - in Science have been learning about how healthy choices affect our bodies such as diet and exercise. We have written a big story in English putting ourselves in the shoes of Kester, from our class book, escaping the school.

Badgers - have been getting ready for SATS next week. We have also made important decisions about our breakfast and snacks! We have also been very busy planning our stalls for the school fete. We have been working out what we need as well as making posters and ordering.

After School Club— .have enjoyed learning a new board game, labyrinth, this week. We've also enjoyed colouring, our favourite things to colour are guinea pigs or sonic!

Year 6 SATs week is week beginning the 11th May. All Year 6 to be present for this week.
