Foxes— have been working on telling the time and writing descriptive stories about castles.

Squirrels - have looked at what Leeds castle has been used for in the past and made timelines. In DT, we looked at food miles and why they are important. In Science, we looked at the difference between solids, liquids and gases.

Badgers - have been conducting surveys about traffic. We have spent time counting how many cars, lorries and other forms of vehicles come through our village at certain times of the day.
