Many Hands Build a House, Many Hearts Make a School
(Matthew 7:24-27 : The Wise and Foolish Builders)

Resilience, Curiosity, Honesty, Respect, Empathy

NEWSLETTER 35—Friday 19th June 2026

As many hands build a house; many hearts make a school.

This week there has been lots of team work going on.

Well done to all pupils, staff, parents and carers for supporting our sports day. It was a team effort on all levels. A massive well done to the winning team Diamonds!

Also a massive well done to the FOLSA team led Mrs Ross for the fantastic summer disco (with rain) for the whole school. All the pupils really enjoyed themselves. Also thank you to the parents that made the Y6 last disco extra special.

Hedgehogs - started our week with the discovery of a comet in our class. We have been finding out where it came from and describing what we can see.

Foxes— have been using descriptive writing about their an imaginary pet. We have also been finding out about the people who have lived at Leeds Castle in the past.

Squirrels - have written postcards in history as Eleanor of Castile. We have also spent the week writing a 5 part adventure narrative story and then edited it. In computing we have been looking at 3D modelling design online.

Badgers - last week we were script writers, this week, lyricists. The preparation for this year's production is in full swing. We have taken a selection of songs, chosen by the children, and rewritten them so they fit with our story. Now we just need to remember the new words!!

After School Club— have been busy exploring the outside environment.
