Character Council

As many hands build a house; many hearts make a school.

This week has been all about Resilience.

It is needed in all aspects of life. Have you been resilient today?

Got back up when something was challenging?

Asked for help?

Breakfast Club - We have an opportunity for you to come and be part of the L&B team. We need someone to run breakfast club from 7:30 - 8:30 daily. This will involve making toast, crumpets and playing games with the children to get them ready for a day of fun at school.

September 2026 Reception—Story Time and Visits

Story Time @ 2:45pm

Thursday 2nd July and Friday 10th July

Half Day Visits:

Monday 29th June and Tuesday 30th June 9:15—12

Hedgehogs - have been finding out about Leeds castle, looking at the features of castles in preparation for our visit next week.

Foxes— have been learning about shapes and patterns using half and quarter turns as well as looking at angles. We have been practising our retrieval skills with our reading and writing a letter about how to escape the pet shop using our imperative verbs (bossy words).

Squirrels - have learnt to use thermometers and use them to track the temperature of water cooling from boiling point. We looked at relative clauses in English and looked at time and negative numbers in Maths.

Badgers - Well it may have been a bit warm this week but this hasn't stopped us from engaging in our learning. We have developed a character for our play and written a monologue for them, learning about how our pay is divided up and how tax is calculated as well as going on a litter pick in the church grounds as part of community week in the village.

After School Club— have enjoyed the air conditioned classrooms with films, colouring and games. We also enjoyed playing games with water!

1st July deadline for Y5 parents to submit your child for Kent test 11+
