(Matthew 7:24-27 : The Wise and Foolish Builders)

Resilience, Curiosity, Honesty, Respect, Empathy

NEWSLETTER 38—Friday 10th July 2026

As many hands build a house; many hearts make a school.

We have been looking at how we can show respect to others.

How can you show respect?

Summer reading challenges from the Kent Library team.

Join in the reading challenge - rewards in school when you return in September with your certificate and medal.

Breakfast Club - We have an opportunity for you to come and be part of the L&B team. We need someone to run breakfast club from 7:30 - 8:30 daily. This will involve making toast, crumpets and playing games with the children to get them ready for a day of fun at school.

Hedgehogs - had an enjoyable visit to Bedgebury looking at different types of plants. We have also been writing re-counts of our visit.

Foxes— have been looking at the story of Exodus and the themes of freedom and justice. We have also been classifying rocks and writing stories about new beginnings.

Squirrels - had a fantastic time at Bedgebury, we explored the forest, investigated the age of trees, and found varieties of leaves. We also investigated the melting and boiling temperatures of different materials.

Badgers - we have been very busy this week learning lines, perfecting songs, rehearsing our production, ready to share with all next week. We are all looking forward to it!

After School Club— have enjoyed playing with the guinea pigs and staying cool with colouring and craft activities
