NEWSLETTER 04—Friday 25th September 2026

As many hands build a house; many hearts make a school.

This we have begun talking about Harvest. This has included looking at air miles, where our food comes from and fairtrade items.

We look forward to welcoming you to our Harvest celebration on the 9th October at 9am in the Church. All classes will be involved

Hedgehogs - This week in Hedgehogs class we have been guzzling our porridge and slumbering in bed with Goldilocks and the Three Bears. Our Computing learning has focused on our word processing skills - typing in a document, changing the size of text, the font, font colour and beginning to add images to our work.

Foxes— This week in Science, Foxes have been learning all about how plants grow. The children each planted their own sunflower seed, which they will be taking care of and monitoring as it grows. We're excited to see what happens! In English, they wrote lovely descriptive sentences. They have been using adjectives, expanded noun phrases and similes to make their writing more interesting and bring their descriptions to life. It has been wonderful to read!

Squirrels - This week we have continued to be excited about the growth of our beans and we will be planting them in grobags next week. We have also been thinking about the importance of illustrations in books to help tell the story.

Badgers - .This week in Badgers we looked at women's fight for the vote in the UK during History. In Science we analysed how we see objects, using a mystery box and a torch to conduct an experiment. We also created fact files for women in NASA and planned our big write.

After School Club—this week After School Club have enjoyed building and playing with the marble run and cars, baking delicious cookies, and taking part in an excellent game of hide and seek—with a fun walkie-talkie twist!
