

OUR NEW TOPICS – HOMEWORK GRID

Choose one activity to complete. Take pride in your presentation!

Hidden Figures Fact File

Research Katherine Johnson, Dorothy Vaughan or Mary Jackson. Create a fact file explaining her achievements and why her work was important.

Light Investigator

Explore how shadows change when a light source moves. Record what you notice using labelled drawings, measurements or photographs.

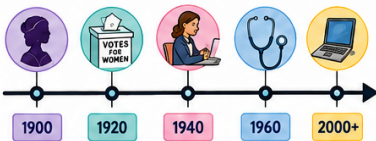

Women in World War II

Find out about one job women did during WWII, such as working in factories, farming, nursing, codebreaking or serving in the armed forces. Present five important facts.

Changing Roles of Women

Create a timeline showing at least five important changes in women's lives, rights or work. Include dates, captions and pictures.

Design a Space Company

Invent your own space company. Design a memorable company logo and an imaginative rocket ship. Label the rocket's most important features.

Hidden Figures Film Review

Watch the film Hidden Figures. Write a two-sentence review explaining what you thought of the film and what you learned from it.

Remember: neat presentation • accurate facts • your own words • bring your work to school
